

SAV IRON MOUNTAIN 8066

SAV Iron Mountain is the popular \$75 000 top selling Gridiron son from the 2009 SAV sale to Peak Dot Ranch. He is really something to see. He has exceptional phenotype - abounding thickness, muscling, stoutness of rump and power that you rarely find in a true low birth weight bull. His phenomenal dam is the oldest living daughter of 004 at SAV. Her Right Time dam is the top-valued cow in SAV history, descending from four generations of Pathfinders. SAV Iron Mountain is a bull you can build an entire program around. He will see heavy service this year at Peak Dot Ranch and Schaff Angus Valley.
