

**Dynamite
 the popular
 new outcross
 performance
 carcass sire...**

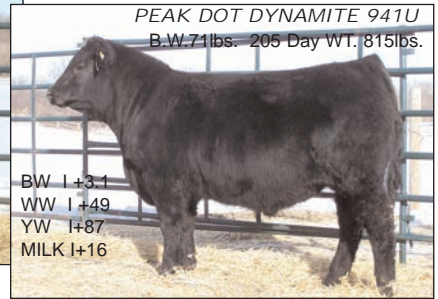

Dynamite is the popular unique Genex outcross, performance and carcass sire that has breeders from across the globe waiting in line to sample him. His first set of calves are very consistent with added length, thickness, muscle and pounds. We purchased Dynamite for his added performance, depth of body, doability and great scrotal development. He has an excellent disposition and is all black. Dynamite's dam is the herd bull producing Mohnen Jilt 910. She is solid black with an exceptional udder and long hip. Mohnen Jilt 910 is becoming recognized as the maternal oriented female to add carcass elitence without a Precision or New Design pedigree. Dynamite's first progeny are outstanding and will headline the 2009 Peak Dot Ranch Bull and Female Sale on April 1,

Full Sister to Peak Dot Dynamite 918U

He sells along a full Flush brother

He sells along with 3 full Flush sisters and a maternal brother by SAV Capacity 5204

Peak Dot Ranch is a family owned and operated ranch. Peak Dot Ranch has been in the purebred business for over forty years, and sells 300 bulls annually in their two bull sales. The April 1, 2009, sale will feature 160 performance bulls from our fall program as well as a powerful set of yearling bulls from our embryo program. We are also selling choice on our top 125 replacement heifers. Our best set of heifers ever. Many of these heifers are produced from our embryo program.
