### OLD POST

Double AA Old Post Bandolier 367N

Featuring some of the very first progeny by the new Genex Canadian outcross sire Old Post.

Peak Dot **Out Post** is one of the first exciting sons of the powerful new Genex Canadian outcross sire Old Post to sell at public auction. His pedigree, performance and phenotype make **Out Post** one of the top herd sire prospects ever raised in the 50 year history of Peak Dot Ranch. Very seldom will you find a true outcross bull this good. He is an extra thick, deep-bodied, easy fleshing bull with a strong maternal heritage. For EPDs and current performance weights and updates on **Out Post** view [www.peakdotranch.com](http://www.peakdotranch.com) or phone 306-266-4414 or email [peakdot@xplornet.com](mailto:peakdot@xplornet.com).
